STRENGTHS (check as many as apply)

program rationale & description is clear
standardized test scores are strong
enrollment is stable
student racial & ethnic diversity is good
student performance is strong
number of faculty is appropriate
tenure-track faculty participation
graduating student placement is strong
alumni tracking data are good
tuition/income ratio is appropriate

size & scope of program is appropriate
undergraduate GPAs are strong
student gender diversity is good
student attrition is minimal
input/output ratio is strong (ca. 1.0)
involvement of faculty is good
assessment of students is good
student program satisfaction is good
student debt is appropriate

Additional strengths

WEAKNESSES (check as many as apply)

program rationale & description is unclear
standardized test scores are weak
incoming students have declining standards
student gender diversity is low
student attrition is high
grade discrepancy: USC GPA > undergrad GPA
number of faculty is low
tenure-track faculty have minimal involvement
student placement data are missing
students appear dissatisfied with program
tuition/income ratio is high

size & scope of program is a concern
undergraduate GPAs are weak
enrollment is unstable
student racial & ethnic diversity is low
student performance is weak (GPA < 3.0)
input/output ratio is high
faculty involvement is limited
student assessment is weak or unclear
student placement is weak
excessive student debt

Additional weaknesses
